

We Show Up

We Bring It

We Do It Right

Central MN Elite Wrestling

Central MN Elite Wrestling is a local community wrestling program located in Avon MN. Central MN Elite Wrestling is a Non-Profit 501c3 nonprofit organization based in Central Minnesota. It is owned by coaches, parents and local business owners who want the best for our community.

THE CHALLENGE

The challenge of this project lies in integrating the new storefront entrance and windows into an older building that is being repurposed. Plus dealing with potential structural issues inherent in older buildings, represents a significant challenge.

OUR SOLUTION

Every step of the installation process was carefully monitored to ensure structural soundness, adherence to the city's codes and preservation regulations, as well as maintaining the high-quality our clients expect from us. Whether it's sourcing the highest quality materials or meticulous installation workmanship, we've made sure our solution not only addresses the project's challenges but does so in a right and sustainable manner.

RESULTS ACCOMPLISHED

Heartland Glass successfully completed the storefront entrance and window integration project within the specified timeframe, achieving all objectives without any outstanding items remaining on the punch list. This accomplishment is a testament to our commitment to excellence, attention to detail, and dedication to meeting our clients' needs.

Why was Brin Glass best suited for the work?

"We chose Heartland glass because it is a local business, and we want to support the community. Heartlands staff, sales, and install team very kind and pleasant to work with. We would recommend Heartland to our friends, family and the Business community."
