

Success Story

Club Pilates

THE CHALLENGE

BCI, Inc. needed a reliable partner to create a custom mirror wall for the new Club Pilates studio in Waite Park. The project required meticulous craftsmanship and a flawless finish to align with the studio's modern aesthetic. Heartland's experience in premium mirrors and glazing made us the clear choice for this specialized project.

OUR SOLUTION

Heartland brought expertise in custom mirror installations to deliver a standout solution for this project. We installed sleek, large-scale mirrors and J-channel with precision, enhancing the studio's overall design. To meet the demanding timeline, we partnered with Northwestern Glass Fab—our in-house fabrication facility within the Brin family of companies—to ensure materials were sourced and delivered on schedule.

RESULTS ACCOMPLISHED

Heartland delivered a high-quality mirror wall that exceeded expectations, transforming the studio's interior. Our ability to meet tight deadlines while maintaining top-tier quality highlighted the strength of our collaboration with Northwestern Glass Fab. The final installation seamlessly blended craftsmanship and design, creating a striking feature that complemented the studio's modern atmosphere.
